### 2019 Stewardship Campaign

### **Our 2019-2020 Boone UU Vision**

To be a thriving, joyful, beloved community,  
living lives of meaning and purpose

#### **What is a stewardship campaign?**

Each year Boone UU asks each household to link their most dearly-held values with their resources, giving generously of time, energy, and income, from a place of bone-deep love with expectations that our work be manifest in a radical, beautiful reality enriching our lives, our beloved community and the world.

#### **How is the money used?**

The income from pledges pays our staff, operations, maintenance, outreach and services for the year.

#### **How much should we pledge?**

**“Five to Thrive”**

We challenge you to make the “Five to Thrive” commitment, and pledge 5% of your adjusted household income each year.

#### **What about my time and talent?**

Volunteer power contributes mightily to realizing our vision, and a volunteer commitment is a critical form of pledging to the fellowship. Please complete the volunteer pledge form either on the reverse side of the financial commitment form, or complete it online.

#### **How do I make my pledge?**

1. Complete the enclosed pledge and volunteer form and give it to Dawn Wicklow or a Board member as soon as you are able.

OR

2. Pledge on the Boone UU website at <https://www.buuf.net/annual-pledge.html> via the “Submit your pledge online”

The deadline is Sunday, May 19<sup>th</sup> to give the Board two weeks to complete the budget to present at the congregational meeting.
